2 AS AND FOR SEPARATE AND DISTINCT AFFIRMATIVE DEFENSES,
3 DEFENDANT ALLEGES AS FOLLOWS:

4 1. Defendant alleges that the Complaint fails to state facts sufficient to constitute a
5 cause of action, or any cause of action, against this answering defendant.

6 2. Defendant alleges that the Complaint fails to state facts sufficient to set forth a claim
7 for liquidated damages.

8 3. Without admitting any allegation of the Complaint, defendant alleges that, some of
9 the acts, actions and activities, as alleged, were committed, if at all, by independent, non-affiliated
10 persons who were not acting on behalf of, or within the course and scope of any relationship with
11 this answering defendant during the time referred to in the Complaint. Therefore, damages
12 purportedly sustained by the plaintiff or awarded to the plaintiff, if any, should be apportioned and
13 reduced, in whole or in part, according to the respective and comparative fault of all parties,
14 persons and entities, or their agents, servants and employees and representatives who contributed
15 to or caused the incident alleged in the Complaint.

16 4. Defendant alleges that the plaintiff was careless and negligent in and about the

3 answering defendant was acting in good faith pursuant to its official duties and is immune from
4 liability for the conduct alleged in plaintiff's Complaint.

5 9. Defendant alleges that the claims asserted by the plaintiff are barred by the
6 applicable state and federal statute of limitations and the equitable doctrine of waiver, estoppel and
7 equitable tolling.

13 reasonable diligence to mitigate and minimize the same.

14 12. Defendant alleges that the plaintiff's damages, if any exist, are subject to a complete
15 or partial set-off.

16 13. Plaintiff's claim is subject to the Collective Bargaining Agreement between the

21 good faith, legitimate lawful purposes.

22 16. Defendant alleges that it would have taken the same employment action regardless
23 any protected status of the plaintiff.
